Captain's Message:

I apologize to all for missing the Monday Newsletter, but events are keeping us pretty busy here at the station.

Yesterday, the ninth homicide of the year occurred here in the Bayview. As of this time last year, there had been only five. The shooting occurred, as you will see below, on Turner Terrace in the middle of the day. And although our officers did an extensive canvas of the area, we were provided little information on exactly what happened. It is obvious, that people in the area are either afraid to tell the police what happened or they simply don't care. I believe, based upon the many community members I have come to know, that the former is true and folks are simply too afraid to tell the police what they saw. I bring this point up because I feel it's a good time to remind everyone that there are two separate anonymous tip lines available to Bayview residents:

Bayview Station Tip Line: 415-822-8147

SFPD Tip Line: 415-575-4444

If you witness a crime, and don't want to become involved, please call the tip line and tell us what you saw. Oftentimes, all the officers need is a good description, a license plate, or a name to solve the case, and arrest the bad guy.
