Bayview Monthly Community Meeting

Our next monthly meeting will be held Tuesday, May 6, at Bayview Station's Community Room

Parking and Traffic Enforcement

Over the past two months, the officers at Bayview have been enforcing double parking violations. This enforcement effort has helped to abate the double parking problem in the district somewhat and we will continue until everyone in the district gets the message.

Soon, we will begin an operation with the Department of Parking and Traffic to tag vehicles parked on the sidewalk which block passage for pedestrians, baby strollers and wheel chairs. These are $100 citations. If you park your vehicle responsibly, respecting the rights of your neighbors and the visitors to our community, you should not have any problems.

Sewer Main Replacement – Week of May 5

The work on the sewer main will continue affecting traffic and parking on Phelps St, from Egbert to Williams.

Do your part as a member of this community-

If you witness a crime, and don't want to become involved, please call the tip line and tell us what you saw. Oftentimes, all the officers need is a good description, a license plate, or a name to solve the case, and arrest the bad guy.

Captain's Message:

On May 6, Bayview Station instituted the Sergeant Liaison Program which is currently operating with great success at Taraval and Ingleside Stations. The program calls for individual sergeants to be assigned as liaisons to specific community groups.

The liaison sergeant is required to attend the monthly or quarterly meetings of these groups, receive information on community based problems and resolve the problems with the assistance of the officers under their direct supervision. The liaison sergeant becomes the point of contact with the group for all questions and concerns.

I am confident that the Sergeant Liaison Program will assist us in providing improved communication and service with the community. Should you have any questions about the implementation of this program please contact me.
