Ofc's Dockery and Robinson were traveling east on Westpoint Rd at Middlepoint Rd regarding an on-going fight between two females. On this date, the fight escalated between the two

female subjects and approximately 30 other on-lookers, several of which joined in and began fighting. Numerous officers responded. Ofc. Dockery intervened and ended the assault by "bear hugging" four women at once. In the end, two suspects were taken into custody for fighting and assault on a police officer. One officer sustained a slight injury to his arm.

March 1, 2008-11:45pm-2175 Revere Ave-Trespassing, Suspicious Occurrence-
Ofc. Chan and Guzman responded to 2175 Revere Ave regarding a possible home invasion investigation. Officers arrived and spoke with a citizen who told them that someone knocked at his door at 11pm. The citizen opened the door to find a female and male subject standing in the doorway. The two subjects then entered the home without the consent of the citizen. Then they sat on a couch in the living room and began to argue with each other. The male subject knocked over furniture and left, but the female remained on the couch and refused to leave. A short time later the male returned with some food. The two then ate the food and left the house. Nothing in the house was taken and a search for the suspects was negative.

February 29, 2008-10:04pm-Neptune/Thornton-Evading A Police Officer Recklessly-
Ofc. Rodgers, Ofc. Lim and his Field Training Officer, Lane, responded to the Neptune and Thornton Ave to investigate a reckless driver. As Rodgers attempted to place the driver, who was under the influence of alcohol into handcuffs, the female subject refused to exit the car, holding the steering wheel firmly and screaming obscenities at the officers. The officers were finally able to remove the subject from the vehicle and place her under arrest. The driver refused the field sobriety test and had to be taken to a phlebotomist where a forced blood draw was to be administered. The subject was placed under arrest for driving under the influence of alcohol, reckless driving and resisting arrest.

February 27, 2008-3:45pm-1650 Kirkwood Ave-Marijuana, Possession For Sale-
Ofc. Singleton was conducting a check of a residence on the 1600 block of McKinnon when he heard tires screeching at the intersection of McKinnon and Newhall. Singleton saw a blue Chrysler van in the intersection and attempted to catch up to the vehicle, to no avail. Ofc. Scott heard the broadcast by Singleton and found the vehicle on Kirkwood, detaining the occupants inside. Ofc. Singleton responded and searched the occupant for weapons, and located illegal narcotics. Ofc. Singleton placed the subject under arrested for possession of marijuana for sale.

ALERT!!

LIVE FIRE TESTING

I want to alert all residents of the Bayview that the police department will be conducting live fire testing in the district on Thursday, March 6, at 8:00PM.

The department recently invested in the Shot Spotter System. The system utilizes sensors and computers to direct officers to the scene of gunfire within seconds of an incident occurring. Sensors have been installed in strategic locations throughout the district and on Thursday evening, members of the SFPD and Shot Spotter personnel will be working to calibrate the system.

This process will require members of the Police Range and Tactical Company to discharge approximately 12 rounds at three different locations in the district. The rounds will be discharged safely into barrels filled with sand. This process is necessary in order to calibrate the system.

The locations for the tests are: 3rd and Evans Streets,
Quint and Revere Streets, &
Bayview and Silverview Streets

The testing should last about 2 hours.

The Shot Spotter System is functioning in several large cities throughout the nation, where it has been a useful law enforcement tool and effective in deterring criminals from using firearms.

If you have any questions or concerns, please call Bayview Station.
