**Captain James I. Dudley**

The Incident Command System training last week was a good refresher on the National Incident Management System. Even more, it was good to work with the other 25 agency reps from Police, Fire, Public Health, PUC and even the Medical Examiner's Office. The training included several exercises where we collaborated to handle events and incidents from natural disasters, industrial accidents and terrorism related crime. Translated to real life, we will use the organizational design to help prepare for large events like Fleet Week when so many agencies work together for a week. The benefit is a clear line of responsibility and a contingent plan for any unanticipated problems that could occur.

### **Upcoming Events:**

Several Labor Issues are brewing with marches planned in the coming week and weekend at district hotels and at **Justin Herman Plaza on Monday, Labor Day**. Traffic may be affected on **Thursday 8/31 near Market at 4th Street from 4 PM and beyond**.

Also on **Labor Day Monday 9/4/06** the "**Giro de San Francisco**" **Bike Race** will be held in the Media Gulch area of **Broadway and Battery Streets near the Embarcadero** from **6 AM-2 PM**. Please remember to plan alternate routes north to Fisherman's Wharf.

### **Broadway Corridor:**

**On Friday 8/25/06** there was one Felony arrest made, (see Robbery report below), 1 Misdemeanor arrest, 3 drunk related arrests, 21 moving citations, 29 parkers and 21 towed vehicles. At one point after 1 AM all Central Units were called to restore order on Broadway while outside units were used to handle calls for service for the District.

**On Saturday 8/26/06** there were 2 Misdemeanor arrests, 3 drunk related arrests, 9 moving citations, 25 parkers and 23 towed vehicles made. We received help from the Traffic Division and had the "Street Racing Enforcement Unit" assisting with the several complaints about motorcycles and "Sideshow" related vehicles. Our thanks to **Captain Corrales of the Traffic Company and his officers**.

### **Crimes of Note:**

**On 8/25/06 at 7 PM** a victim reported to police that he was walking at **Mason and Beach Street** talking on his cell phone when he felt a sharp sting under his eye and felt that he was hit with a pellet. He noticed that 5 individuals, 4 black males aged 13-16 and a black female adult were laughing and yelling at him. He tried to avoid the group but was accosted as the adult female yelled encouragement to the juveniles to assault the victim. The cell was slapped out of his hand but his girlfriend on the

other end called 911. **Officers Damien Fahey, Kevin Worrell, Jesse Serna and Gary Moriyama** responded and took the suspects into custody. A search revealed that one of the males possessed a bb gun that was probably used at the initial attack. Several reports have come from the area regarding bb gun assaults from passing vehicles.

**On 8/26/06 just after 5 PM, on the 200 block of Stockton Street**, a retail establishment was robbed of several expensive purses. Security attempted to stop the suspects, a black male 28-32 years old, 6' 200 pounds with a shaved head, white t-shirt and dark pants and a black female 5'5" 120 with shoulder length brown/red hair, when he was met with significant resistance. An Oakland A's jersey worn by the suspect was pulled off and most of the property was recovered by the guard who also sustained a cut lip in the process. The suspects managed to flee in a Silver colored Honda Accord onto the Bay Bridge after a chase by police from the Southern District. Crime Scenes Investigation has several pieces of property and photo's that may lead to an arrest.

**On 8/26/06 at 6:25 PM, Officer Paul Yep** responded to an **Arson Fire** on the **1200 block of Grant Avenue**. SFFD put out the fire and Officer Yep did an excellent investigation of interviewing several residents of the apartment building, coming up with suspect information. Officer Yep pulled a mug photo of the suspect and at 8:50 PM made an arrest of the suspect after he was spotted by **Officers Jesse Serna and Gary Moriyama** at Columbus and Pacific Avenues.

Also on **8/26/06 at 1AM, Officers Al Ciudad, Paul Yep, Nick Discenza and Paul Doherty** responded to **Columbus and Broadway** on the report of an assault and robbery. They spoke to a male and female victim who said they were surrounded by 15-20 individuals at the corner of Grant and Broadway. After one suspect made remarks to the female, another struck the male in the head with his fist, knocking him to the ground. The female had her purse ripped from her arm and the group fled. **Sgt. Dom Panina** and other officers responded and detained a large group who fit the descriptions at Stockton and Broadway. One suspect was arrested and booked for robbery and aggravated assault.

**Officers Lynn Masetti and Dave Frias** responded to the **1200 block of Sacramento on 8/27/06 at 5:30 AM** on a call of an Auto Burglary in progress. As they arrived on scene, they observed a black male mid block matching the suspect description. They detained the suspect who was subsequently identified as the perpetrator by a witness at the scene. Officers discovered several electronic items in the suspects' backpack that they suspected as stolen from the auto burglary. The suspect was booked on auto burglary and possession of burglar tools charges.
