September 26, 2009-Assault w/Caustic chemical to injure or disfigure-3:50pm-1300 blk of Revere-CN#090995916:

Officer Peters and Training Officer Hastings responded to a call regarding an assault. Officers spoke with the victims who stated that they had been sprayed with mace, by an unknown suspect. The victims further stated that several suspects challenged them to a fight in the middle of the street, then produced a canister of mace and sprayed the victims in the face. Several victims who were exposed to the mace ran up the steps to a house, but were followed by the

suspects, who continued to spray the mace at them. Officers called for a medic, who responded and treated all the victims at the scene. All victims were released at the scene and did not require hospitalization. Offices searched the area, but did not locate the suspects.

The next day, Officer Peters and Sgt. Hart received new information regarding the suspect, which they used in their investigation to locate the suspect's house. Officers responded to the location and spotted the suspect driving away from the house in the vehicle which was reportedly involved in the incident. Officer Lamma and Officer O'Reilly stopped the vehicle and placed the suspect under arrest, without incident.

Through a preliminary investigation, Officer Benzinger discovered that the driver of the vehicle had never been issued a drivers license. Officers removed the driver and other occupants from the vehicle in order to conduct a search prior to towing the car. Officers located a loaded shotgun in the passenger compartment of the car, which they confiscated. Officers placed all three subjects under arrest and transported them to Bayview Station for further investigation. area. Officers checked all the residences and the car for any victims, to no avail. Officers Pashby and Maritnez of the Housing Unit, approached a subject who they know to be on parole for weapons, and who may have been involved in the incident. The manager contacted the owner of the checks and was told that he was missing checks from his house. Officers transported the subject to Bayview Station for further investigation.
