

BAYVIEW COMMUNITY UPDATE August 31, 2004

ROSES

Another reminder that the September ROSES meeting will not be held this Thursday due to the Labor Day weekend. We have moved it to next Thursday, September 9, at 7:00 p.m. at Bayview Station's community room. We have also mailed this information out, but please pass it on to everyone you know of who attends our monthly meetings.

Milton Meyer Sub-Station

Effective tomorrow, we will officially open our Milton Meyer sub-station at 195 Kiska Road. Our office is located in a room in the actual gymnasium, and we are very optimistic that our presence is going to have a positive effect on not only the surrounding community, but on the children who should be spending their afternoons inside the gymnasium and are not. The phone lines will be going in in the next couple of days, and I will publish this information as soon as they are in.

Late Night Basketball

The Late Night Basketball committee meets today at Bayview Station at 1:30 p.m. The uniforms have been ordered and we are making final plans for our kick-off date, which is tentatively scheduled for September 22 at the Joe Lee Gymnasium. We are still looking for business sponsors who would like to support this program. For those individuals and businesses which have already sent checks in to support this program, please note that none of them have been deposited, since it wasn't until last week that we finally chose the local CBO who will be facilitating this program.
