

BAYVIEW COMMUNITY UPDATE August 19, 2004

Youth Activities

This fall will be a busy one for Bayview Station. In addition to our Viking Soccer team, we plan to have two PAL basketball teams. We have also made arrangements with the First Tee golf program to continue this effort through the fall. These programs focus on young children living in and around public housing, but we are also interested in having our Late Night Basketball program up and running sometime in September. In addition to these sports programs, we periodically receive tickets to sporting and other events. We would like to be able to expose district children to as many activities, and to also facilitate as many field trips, as possible. Each of these efforts is rather labor-intensive, and we would like to collaborate with community residents and others to ensure that we can do as many of these programs as possible. If you would like to volunteer to assist in these efforts, please drop me a line.
