**Homeless Abatement:** For the last 8 years, "The Plant Man" has been homeless and living in the area of Newcomb and Newhall. Although suffering from arthritis in both his hips and knees, he had been unwilling to go into city shelters because he could not take his dog, "Mommie." Officer Sue Lavin, Homeless Coordinator for the Bayview District, was determined to get him help and get him off the street. Officer Lavin determined that he is a ideal candidate for Hope House, a Bayview facility for chronically homeless with a debilitating condition. With the help of Danisha, Carole, Judy and Naim at Hope House, Dorothy Johnson from the Mayor's Homeless Outreach Team and Nurse Dorley Chavez and Dr. Dan from the Southeast Community Clinic, Officer Lavin was able to get the Plant Man his first real housing in 8 years. And with the help of Sgt. Forrester from Animal Care and Control, "Mommie" is now registered, has her shots and a clean bill of health and has joined the Plant Man at Hope House.

If you know someone who is single, chronically homeless, and has a serious disabling condition, they may be a candidate for Hope House. There are several locations throughout the Bayview District. Applications can be picked up and returned to 1333 Evans, San Francisco, CA 94124. For more information contact Juanita Johnson at 415-647-5055 or Dornesha Landers at 415-647-5755.

On the metal tray was a white powder and a razor, standard equipment for dividing cocaine powder. charges.

Tuesday, May 9, 2006, 10:43 PM, Jerrold and Bayshore, Attempted Robbery with a handgun (case # 060495043): the victim was driving east on Jerrold from Bayshore when a motorcyclist blocked his way. Another motorcyclist then came up to the victim and pointed a handgun at him. The second motorcyclist demanded money from the victim. The victim drove away at a high rate of speed and pulled into his workplace a secured lot. The suspects followed until he went into the lot, but then fled. Suspects are described as two African American males, one 6', 200 pounds and the second 5'6, 170 pounds. Both were wearing blue helmets, leather jackets and blue jeans.

Wednesday, May 10, 2006, 3:47 PM, 1210 Newhall, Possession of a tiny amount of Rock Cocaine (case # 060497845): Officers Dalton and McPherson observed a man sitting in front of 1210 Newhall who they had advised about his outstanding warrants the previous week. The man had promised the earnest bike officers that he would take care of the warrants immediately. A warrant check revealed that the warrants were still outstanding. As they approached the man, they saw a tiny, off white crumb fall from his hand. The man then stood up, putting his foot on the small off white particle. Officer Dalton then sprung into action, leaping from his bike and securing the man to prevent him from further destroying evidence. Officer McPherson then crawled on his hands and knees and retrieved the now, tiny crushed bits of what they suspected was the remainders of crack cocaine. The man was booked at Bayview Station on narcotics charges and outstanding warrants.

Wednesday, May 10, 2006, 4:50 PM, Bowdoin and Silliman, Purse snatch (case # 060498570): the victim was walking south on Bowdoin, talking on her cell phone when the suspects walked up to her and punched her in the face. Then the suspects pushed her to the ground and grabbed her purse. The suspects then ran off with the purse. The suspects are described as two African American males in their late teens, 5'8" and 150 pounds. Both were wearing dark clothing.

Wednesday, May 10, 2006, 5:30 PM, Harbor/Northridge Playground, Shooting (case # 060498398): The victim, his wife and their children were playing at the playground at Harbor and Northridge when they heard two shots ring out. The victim's wife gathered up the children and put them in their truck. As they were getting into the truck, they heard two more shots. As they were starting the truck, the rear window shattered and the victim realized he had been shot in the shoulder. The victim's wife drove him to the emergency room. Officers responded and searched the area. Officers finally found the site where the shooters were when they took the shots on Hare, just off of Middlepoint, at least a quarter mile away. Officers not only found the bullet casings, but also the imprint in the weeds where the

shooter was laying. The next day a sniper scope was found in the area (see below).

Thursday, May 11, 2006, 5:30 PM, Hare and Middlepoint, Shots fired (case # 060502284): Officers responded to Hare and Middlepoint on a report of shots heard in the area. While searching the area, Sgt. Devlin noticed a rifle scope that was hidden in the weeds right in the same area where bullet casings were found the previous day after a shooting at Harbor and Northridge. The area behind Hare overlooks the Harbor/Northridge playground, but it is at least a quarter of a mile away.

Friday, May 12, 2006, 8:30 AM, Van Dyke and Keith, Threats to a peace officer and warrant arrest (case # 060504199): Sgt. Moran was on patrol when he saw two men going through a back pack at Van Dyke and Keith. The two men were rummaging through the backpack and discarding items in a storm drain. Because of the number of thefts, auto boosts and robberies that have been occurring, Sgt. Moran decided that he should investigate. When Sgt. Moran approached the man holding the backpack, he remembered him from prior arrests. The man claimed that the backpack was his, but could not explain why he was discarding the contents into the storm drain. Warrant checks revealed that the man had a \$30,000 warrant for his arrest for narcotics. When Sgt. Moran told the man that he was under arrest he told the sergeant that he would "kick his ass when he got out. After he was handcuffed, the man told the sergeant, "I've got AIDS; I'll bite you." Other officers arrived on scene to help Sgt. Moran with the suspect, but he continued to curse at the officers, attempting to kick one of the officers holding him. Since the suspect was physically combative, Sgt. Moran called for a wagon to transport him to jail. The suspect refused to get into the wagon and had to be physically placed in the back of the wagon, kicking and screaming. The suspect then complained that he couldn't breath in the back of the wagon (which is ventilated with a fresh air fan). He was taken to the emergency room where after several hours, doctors found that he had no medical problems. After spending several hours at SFGH, the man was booked at county jail on the warrant, resisting arrest and threats to a peace officer charges.

Friday, May 12, 2006, 3:00 PM, Mission and Ney, Recovered stolen vehicle (case # 060474702): the victim of a stolen SUV saw her car while driving in her Bayview neighborhood. She called dispatch on her cell phone, discretely following the vehicle. The victim gave continuous directions to dispatch providing responding officers a direct path to the stolen SUV, which had stopped at Mission and Ney in the Ingleside district. As plainclothes officers Alcaraz and Solares and patrol officers Ernst and Lujan arrived at the intersection, the victim pointed towards the stolen car. The officers ran up to the car and detained the occupants without further incident. The victim then drove off fearing being seen by the suspects, but had her husband respond back to the scene.
