October is National Crime Prevention Month

This is a perfect time to take the extra steps in practicing safety awareness by learning more about crime prevention and the steps you can take to make yourself, your family and your property safer. If you don't already have a Neighborhood Watch group on your block, now is the time to start one!

Halloween Safety Tips:

- Costumes should fit correctly so kids won't trip on them. Wear light-colored costumes to be seen at night.
- Kids should not try to Trick or Treat by themselves. They should go with an adult and a group of friends.
- Map out where you and your friends will be going. Visit only the well-lighted houses.
- Try to Trick-or-Treat while it is still light out; always bring a flashlight, it may get dark. Wear a reflective costume or stickers.
- Pick well-lighted streets. Walk on the sidewalks. Do not take shortcuts or alleys!
- Only accept candy at a person's front door. Do not go inside of a house or into someone's car.
- Have a back-up plan in case you get separated from your group. Carry a cell phone, walkie-talkie or money for a pay phone, and the number of a trusted adult.
- Don't eat any candy until you get home. Have an adult check to make sure there are no tricks in your treats! If there is any suspicious candy, contact your local police station.
